Work Experience

- Mahmud Maya It Care**
Graphic Designer and Web developer

~ 10 months' experience
Rajshahi, Bangladesh

I designed visually engaging graphics for international clients, enhancing brand identity; developed responsive and user-friendly websites using modern web technologies; collaborated with clients to understand requirements and deliver tailored solutions; ensured projects meet deadlines while maintaining high-quality standards.
- Opulaa Pvt Limited**
Graphic and Motion Graphics for Website and Social Media

~ 2 months' experience
Mirpur-1, Dhaka, Bangladesh.

I created visually appealing designs for websites and social media platforms to enhance online presence and brand engagement while ensuring alignment with client expectations and project timelines.
- Islam Printing Press**
Graphic Designer for local Printing Press

~ 10 months' experience
Jashore, Bangladesh.

I designed high-quality print materials, including brochures, banners, and business cards, ensuring precision and creativity to meet client requirements and project deadlines.
- Tasnia Travels BD**
Social Media Manager and Graphic Designer

~ 3 months' experience
Rajshahi, Bangladesh.

I managed social media platforms to boost brand visibility, created engaging content, and implemented strategies to drive audience engagement and increase online reach.
